"Aloha" for Maui Couple.  
LAHAINA, Maui, July 25.—The evening of July 23 was marked by a most enjoyable gathering at the home of Mr. W. L. DeGuzman of Lahaina, the occasion being a surprise party given by the many friends of Mr. and Mrs. Harlan Roberts of Lahaina, who were leaving that evening for their new home and work in Honolulu.

The home was tastefully decorated for the occasion, tables were placed on the lawn where games were in order and dainty refreshments were served, these with the "light fantastic toe" added to the evening's enjoyment until the hour of the steamer's departure when Mr. and Mrs. Roberts were accompanied by their friends to the wharf.

Mr. Roberts has been an efficient instructor at Lahaina school for about ten years. Both he and his wife have endeavored themselves to a large circle of friends who regret their departure but extend best wishes for their future welfare.

Capt. Steuermann to Return.

The word that Capt. George Steuermann, the popular officer of the 35th Infantry, has improved sufficiently in health to return to Honolulu next month is received with a great deal of pleasure by his brother officers and friends.

Capt. Steuermann, who is known as the "Bard of the 35th," left for the mainland some months ago on sick

leave, and so serious was his illness that his friends thought he might not be able to return to the islands.

Army folk who are in the habit of traveling from Schofield to Honolulu say they have missed very much the "crack, crack" of Capt. Steuermann's pistol as he shot the ripe guavas from the bushes. The captain, who is a crack marksman, confessed on the coast that one of his chief amusements in Hawaii is shooting the guavas down while his machine is making the Schofield-Honolulu trip at the rate of 15 or 20 miles an hour.

The De Guignes at San Mateo.

Mr. and Mrs. Christian De Guignes, who, during their short visit in Honolulu made so many friends who entertained them elaborately, are now in San Mateo, where they have leased the Casper Whitney house until autumn. Recently the De Guignes have been joined by Mrs. De Guignes' brother and his wife, Mr. and Mrs. Fulton Elkins, who are also known in Honolulu. Mr. and Mrs. De Guignes are in close proximity with the Country Club and the ocean, but Mr. and Mrs. Elkins have taken a bungalow at El Mirasol and their stay will be as long as fancy dictates. Both Mrs. De Guignes and Mrs. Elkins are taking enthusiastic interest in golfing and were among the entrants in the women's tournament, which was played over the Country Club course last week.

Miss Marguerite Briand Entertains.

Miss Marguerite Briand entertained yesterday at an informal luncheon for Miss Grace Cooke of Schofield Barracks. The luncheon was given at Walkiki where Captain and Mrs. C. Briand are camping for the summer. After a delicious luncheon was served, the girls donned bathing suits and went swimming, after which they played cards. Those present were: Miss Grace Cooke, Miss Sybil Carter, Miss Mildred Chapin, Miss Ynez Gibson, Miss Dorothy Winter, Miss Clemence Gifford, Miss Ruth Stacker, Miss Miriam Stacker, Miss Charlotte Blake, Miss Gertrude Blake, Miss Louise Girvin, Miss Effie Briand, Miss Helen Center and others.

Colonel and Mrs. Charles Bromwell Entertain.

In honor of their charming daughter, Miss Mildred, Colonel and Mrs. Charles Bromwell entertained at a large dance at the Country Club on Monday evening. There was a large crowd and the affair was one of the

jolliest of the season. It was one o'clock before the guests dispersed, and then they were reluctant to close such a brilliant evening as this proved to be. Colonel and Mrs. Bromwell and Miss Bromwell received the guests. Music was furnished by "Dede" Miller's quintet.

Dance Postponed.

The Calico Ball which was to have taken place at the Country Club last evening was postponed until Monday evening on account of the bereavement of Mrs. C. S. Holloway and Francis Brown. The dance is being given by Mrs. Belle Jones, honoring her three daughters, Helen, Margaret and Catherine. There have been many unique and original costumes made for the affair, which will be one of the largest of the summer dances. About a hundred invitations have been issued for the affair.

Capt. and Mrs. Arthur B. Owens Entertain at Mare Island.

Capt. and Mrs. Arthur B. Owens, who, during the three years they were in Honolulu were such social favorites, have, during the time they have been stationed at Mare Island, entertained extensively. One of the recent affairs at which the Owens entertained was a dinner in honor of Capt. and Mrs. William Standley and Commander and Mrs. Franklin D. Karns. Later in the evening the party attended the hop in the sail loft.

Polo Night at Heine's.

About 500 people attended Polo Night at Heine's Tavern last night. There were numerous large dinner parties. One in particular was arranged by Miss Harriet Hatch and Mrs. Charles Bromwell. Society turned out in force to listen to the cabaret numbers and dance to the music furnished by a Hawaiian quintette. There were more people present at this affair than at the opening night of the Tavern.

Mr. and Mrs. Herbert Dowsett Entertain.

Mr. and Mrs. Herbert Dowsett entertained at a dinner-dance at their home in Pearl City on Saturday evening. A large crowd motored down from town in the late afternoon and motored back by moonlight. There were about 50 guests present.

Spending a Honeymoon in Honolulu.

Among the arrivals in Honolulu last week were Mr. and Mrs. William Barkley, who are to spend their hon-

eymoon in the islands. They expect to remain here a month and, during that time will visit the volcano on Hawaii. Before her marriage Mrs. Barkley was Miss Gladys Louise Amann, the daughter of Mr. and Mrs. William Edmond Amann of Piedmont, Cal.

Dance at the Picasanton for Polo People.

There was a large dance at the Picasanton Hotel on Monday evening in honor of the visiting polo players and their friends and the local teams. About 300 invitations were sent out for the affair. The dance was well attended and proved successful, many members of the Smart Set being present.

Because of the very sad death of Mr. C. S. Holloway, many of the entertainments which were to have taken place this week have been postponed. The Misses Margaret, Helen and Catherine Jones, who had planned a calico ball for last evening, have put off their party until later. This was done in respect to the memory of Mr. Holloway and for Francis Brown, his stepson, who is one of the most popular young men in social circles.

Miss Evelyn Scott, who has been in Honolulu for the past two years, left in the Matsonia this morning for her home in the East. Miss Scott, who has been staying with Miss Orpha Starratt, will be made of honor at the latter's marriage which will take place in Chicago, Ill., some time in August. Miss Starratt's engagement to Mr. Albert Hall of Chicago was announced some weeks ago.

The Misses Carol and Clorinda Low, who have spent the past fortnight with their sister, Mrs. Albert Ruddle of Hilo, returned to town in the Naupaka Kea yesterday morning. Miss Clorinda Low is to remain in Honolulu until August, when she will return East to take up her studies at Smith College, where she expects to graduate in two years.

Mr. and Mrs. Henry Ginacas expect to leave for the mainland in the Wilhelmina the 11th of August. Mr. and Mrs. Ginacas will make their home in Berkeley. Mrs. Ginacas, who was formerly Miss Gladys Ryerson, has hosts of friends in Honolulu who regret that the Ginacas' departure from the islands means a long absence.

Next week the Knudsen house-party on Kauai will take a number of the Honolulu girls and boys away for two weeks. Mr. and Mrs. Eric Knudsen are entertaining from the 4th to the 14th of August at their beautiful home on Kauai. The party will leave in the W. G. Hall on the fourth of next month, which is one week from today.

Dr. and Mrs. R. W. Anderson, with Miss Ruth Anderson and Mr. Alexander Anderson, their son and daughter, left this morning in the Matsonia for the mainland. They will go to Vancouver and from there motor back

through California. The Andersons expect to be gone several months.

An unusually large crowd attended the polo game at the Moanalua field yesterday afternoon. The game attracted the society people more than any other sport. There will be another game on Saturday, for which many parties have been arranged.

Miss Esme Damon entertained at a luncheon at her home at Moanalua yesterday in honor of Miss Edith Carter, who left in the Matsonia to attend school in the East.

Mrs. Francis M. Swanzy entertained at a moonlight supper and swimming party at the Outrigger Club on Saturday evening. The affair was informal.

After an extended visit on the mainland Dr. and Mrs. L. L. Sexton of Hilo returned to Honolulu yesterday in the Lurline.

Mrs. Francis M. Swanzy has invited a few of her friends to a luncheon at Kulstofa on Thursday.

Harold Gear, who has been in San Francisco for several weeks, returned to Honolulu yesterday.

Mrs. Charles Bromwell is entertaining at a large dinner on Friday evening.

### AN EASY WAY TO GET FAT AND BE STRONG

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods; rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract assimilates the food you eat.

Thanks to a remarkable new scientific discovery, it is now possible to combine into simple form the very elements needed by the digestive organs to help them convert food into rich, fat-laden blood. This master-stroke of modern chemistry is called Sargol and has been termed the greatest of flesh-builders. Sargol aims through its re-generative, reconstructive powers to coax the stomach and intestines to literally soak up the fattening elements of your food and pass them into the blood, where they are carried to every starved, broken-down cell and tissue of your body. You can readily picture the result when this amazing transformation has taken place and you notice how your cheeks fill out, hollows about your neck, shoulders and bust disappear and you take on from 10 to 20 pounds of solid, healthy flesh. Sargol is absolutely harmless, inexpensive and efficient.

Caution:—While Sargol has given excellent results in overcoming nervous dyspepsia and general stomach troubles it should not be taken by those who do not wish to gain ten pounds or more.

### REED FURNITURE

The demand for reed, rattan and fiber furniture has constantly increased during the last few years, for the reason that it fills the long felt want of serviceable and decorative living room, sun room and veranda furniture. It also lends itself to all kinds of finish, being brought out in the natural color, stains and various colors, mostly brown, and very frequently in white enamel and old ivory for rooms of more delicate treatment. Loose cushion upholstery adds very materially to the decorative effect of this popular furniture. Tapestries for the darker places and chairs, cretonnes and linens for those in the lighter finishes are very popular.

### BAT THE RAT

Join the Clean-Up Club and Kill Off the Rats

Boards of health everywhere are trying to exterminate rats, because of their menace to health and destruction of property. But without waiting for the health authorities to do the work for you, do your duty and use the only effective weapon in the war on rats, Stearns Electric Paste. Get a two ounce box from your druggist for 15 cents and in one night it should kill off all the rats and mice in your home, barn or garage.

Remember above all that killing a rat now is as effective as killing a dozen a couple of months later. Use Stearns Electric Paste now and prevent further breeding. Directions in 15 languages in every package.

### AFTER SICKNESS OR OPERATION
